All prices are exclusive of value-added tax.

There will be an additional cost for checking the public records at the Swedish Transport Agency, accordingly to their price list.

Environmental discounts on vehicles are provided as follows:

- 75 per cent discount for environmentally clean vehicles (electric, biogas, ethanol, hybrid)
- 30 per cent discount for environmentally clean vehicles that meet the 2005 Swedish environmental class (= Euro 4) standards.

When applying for a vehicle permit, please attach a copy of the registration certificate and supplementary pages stating exemptions and technical data.

AI-000-2011
 2011-06-07 2(2)

Emission threshold limits for 2005 Swedish environmental class (Euro 4):

Light vehicles	HC emissions (g/km)	CO emissions (g/km)	NOx emissions (g/km)	PM emissions (g/km)
Passenger car, petrol	0.1	1	0.08	-
Passenger car, diesel	0.3	0.5	0.25	0.025

Heavy vehicles	HC emissions (g/kWh)	CO emissions (g/kWh)	NOx emissions (g/kWh)	PM emissions (g/kWh)
> 3.5 tonnes	0.46	1.5	3.5	0.02

HC = hydrocarbons, CO = carbon monoxide, NOx = nitrogen oxides, PM = particulates

The above vehicle classifications are subject to changes by regulatory authorities.
